SCALEX[®] 890 PLUS SELF-CONTAINED PIEZO SCALER AND MICROMOTOR COMBINATION

THE POWER OF TWO

TWO ANIMALS IN ONE FOR ALL OF YOUR PET HYGIENE NEEDS

ANIMAL HELPER: Prevents periodontitis, tooth loss and bad breath in pets.

MULTI-FUNCTION: Unique and versatile dual purpose veterinary device.

DUAL EFFECTIVENESS: Contains a self-contained piezo ultrasonic scaler and an electric micro motor in one compact unit.

SINGLE TOUCH: Conveniently switch between scaler and micromotor at the touch of a button.

EASY ACCESS: Universal foot control accessible from 360°.

Self-contained Scaler

- Lightweight and streamlined autoclavable piezo handpiece.
- A variety of piezo scaler tips are available.

Electric Micromotor

- Straight and contra angle attachments included for prophylaxis and a variety of other functions.
- Variable speed ranges from 3,000 to 35,000 RPM.
- Automatic cooling fan for continuous high speed performance.

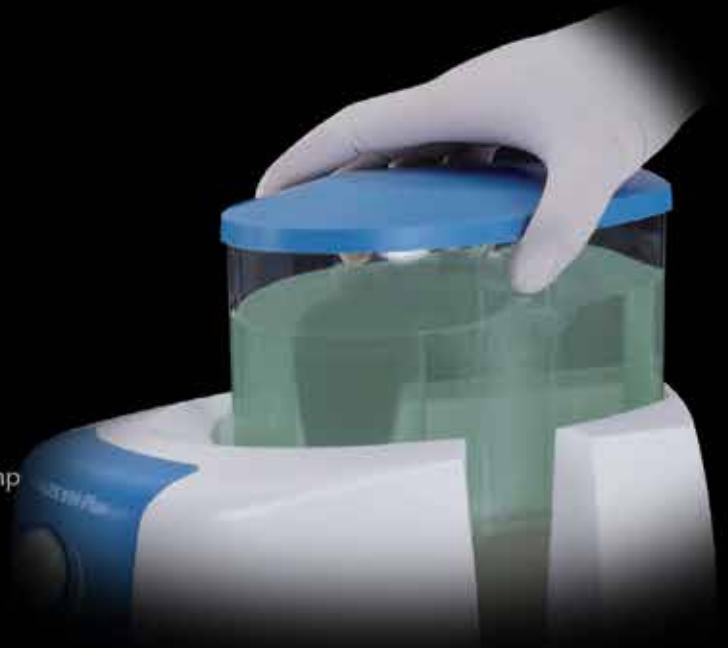

Toll Free: **1800 838 420**

SOLUTION TANK

- Large 1,000 ml solution tank with internal pump allows for convenient portability.
- Any type of irrigant can be used during procedures to meet all clinical needs.

STRAIGHT AND CONTRA ANGLE ATTACHMENTS

Application for prophylaxis, grinding, polishing of animal's nails and shell with sterilizable coolant delivery tube.
